## Don't Forget

**Welcome to our students who will be returning and we welcome our new students beginning their faith formation program for the first time.**

**Students are encouraged to begin formal religious education classes in Grade 1. If you have not yet registered your child please do so. For those students returning this year, we ask that you please return your registration form immediately as classes will begin in September not in October as last year.**

**We invite you all to join us in a year of prayer, reflection and instruction to be a family of faith.**

**Our goal is to complement your responsibility as a Catholic parent and we offer our support and encouragement on this journey.**

**May we grow in faith together!**
